HYDRO~GEO WORKSHOP

RELEASE AND WAIVER

Hydro-Geo Workshop Section of the **National Speleological Society** and **Cave Without a Name**

In consideration of the granting of permission to me, the undersigned, or my minor children, to enter upon premises known as Cave Without a Name located in Kendall County, Texas, for the purpose of willingly participating in the Texas Hydro-Geo Workshop, which will include entering underground caves, crevices, or passageways, voluntarily visiting or working on the surface of the property, or for any other legal purpose, I do hereby release the Hydro Geo Workshop Section of the National Speleological Society; Boerne Cave, LLC; Cave Without a Name; Alex Summers Family, Ltd; Thomas A. Summers; and any and all volunteers and module presenters and their authorized designees in control of the premises or involved with the Texas Hydro-Geo Workshop, from any and all losses and damages which may occur to my person, minor children, or property while engaged in such activities. I further acknowledge that such activities may be inherently dangerous, and it is my intention by this release to waive any and all claims which I may have, to assume all of the risks, known and unknown, which may arise from such activities, and to hold harmless from the same the Hydro-Geo Section of the National Speleological Society, Boerne Cave, LLC; Cave Without a Name; Alex Summers Family, Ltd; Geary Schindel and Mike Harris, and any and all authorized persons representing them. I further acknowledge that I understand that under the so-called Texas Sportsman's Law, effective 1 September 1989, the property owner does not: 1) assume that the premises are safe for cave exploration or any other purpose; 2) owe the person to whom permission is granted a greater degree of care than is owed to a trespasser on the premises; or 3) assume responsibility or incur liability for any injury to any person or property caused by any act of the person to whom permission is granted; and 4) charge a fee for entry to the property.
